Case No. 2:09-CV-242-JRG

MEMORANDUM ORDER

Before the Court are Plaintiff Ambato Media, LLC's ("Ambato") Motions *in Limine* (Dkt No. 334) and Defendant Garmin International, Inc.'s ("Garmin") Motions *in Limine* (Dkt. No. 333). The Court heard argument on several of the motions during the pretrial hearing held on June 20, 2012. Any clarification and/or modification to such motions, as stated by the Court during such hearing, fully applies to the motions *in limine* rulings as stated below, and such rulings do not exclude all clarifications and/or modifications as stated in the record pursuant to the hearing transcript.

The Court's ruling on a motion *in limine* is not a definitive ruling on the admissibility of evidence. An order granting a motion *in limine* is an order to approach the bench and seek leave from the Court prior to presenting the evidence covered by the order to the jury. Similarly, an order denying a motion *in limine* does not relieve a party from making an objection at trial.

Ambato's Motions in Limine

1. Agreed
